The 1980-81 school year was definitely a lively one. The students, faculty, and administration all contributed to this liveliness. As the year progressed, the aura of life increased in strength. Common, everday classroom routines, as well as numerous extracurricular activities, challenged our minds. We sought the things we wanted most out of life. We gained valuable insights into what life really had in store for us. We matured greatly. On the final day of school, we suddenly realized that we had truly lived!

The 1980-81 annual staff of Abernathy High School has tried to record, through pictures and words, what life was like in this great year. Although we could not capture *true* life and display it, we captured the memories: those wonderful memories we will never forget.

FFA Delegation Attends State Meet

McKinney Goes to Washington

Abernathy's FFA chapter was well represented at the State Future Farmer's Convention last July in Houston. Three local members received their State Farmer degrees. They were Grady Shuey, Tom Richerson, and Russell Windham. While in Houston, the students went touring. One day the group swam at a Galveston Beach.

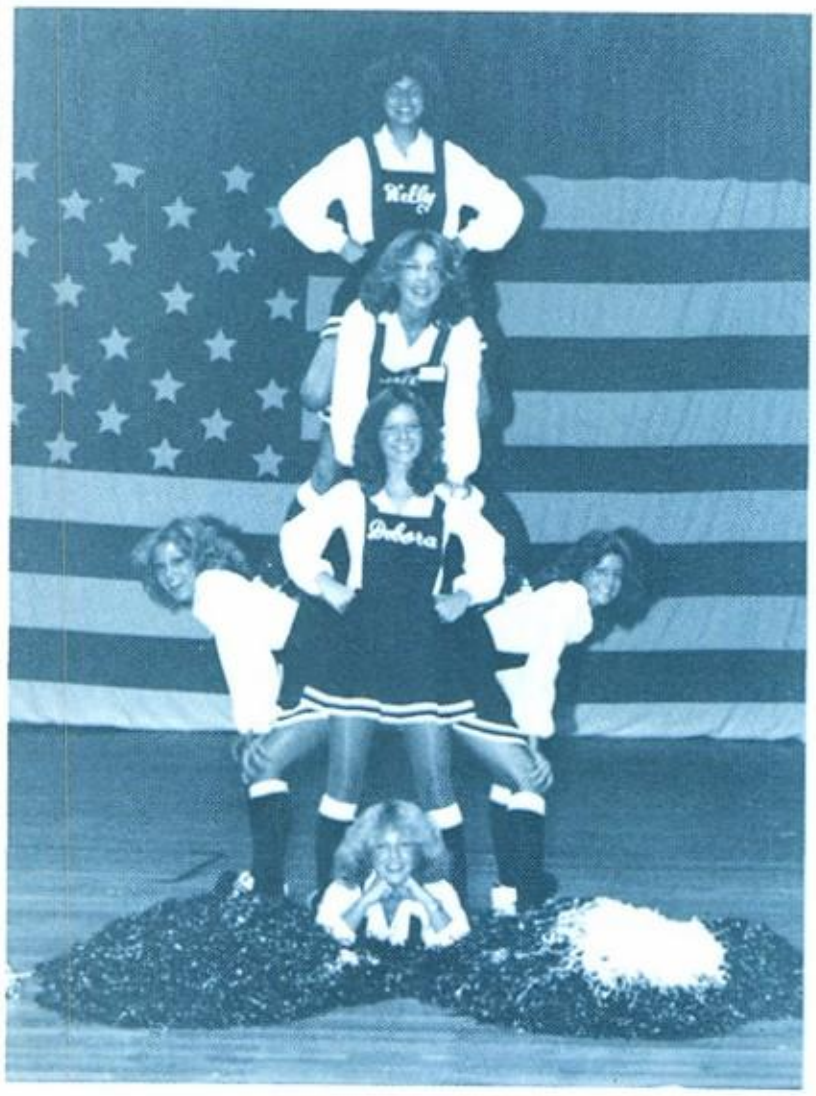
Ranae McKinney represented AHS and the South Plains Electric Cooperative during the Government-in-Action Youth Tour to Washington D.C., in June. While there, Ranae shook hands with President Jimmy Carter. The group toured many points of interest in Washington.

Student Council Lock-In

The Abernathy High School Student Council met on the Friday before school started on Monday. The Council met all day in the Gold Auditorium to plan the events for the coming year. Before the actual planning took place, members and sponsors sat in a circle on the floor and learned more about each other. The awareness segment loosened everyone up. After lunch at the 924, the business session was held. The members then practiced their skit for the first day of school.

Student Life Shifts Into High Gear

First-Day Assembly Sets Atmosphere



Students view "talents" of Student Council members at the opening assembly.

"A-H-S! A-H-S! Kelly, I told you I wanted on top this time!" Cheerleaders add spirit to first day of school.

"Can we finish this meeting? I'm just dying to get to algebra."

Various club presidents recruit members.

"Jon Marrrrrk!" Camera catches Student Council officers and club presidents shortly before they speak.

Patrick Lewis, Movie Star!

Abernathy's own Patrick Lewis auditioned for a made-for-TV movie. He was selected for a role in the film *The Acorn People*. In the fall, Patrick, along with counselor David Sharp, was flown to Dallas for the filming. After a few days, Mr. Sharp returned, and Patrick remained in Dallas with his mother while the movie was filmed. Patrick played the role of Stuart. In January, the cast members of the movie were honored guests of the Texas Legislature.

NHS Inducts New Members

The National Honor Society inducted its new members for the 1980-81 year in October. The academically-superior students had the principles of the organization explained to them before they were sworn in. NHS membership is a coveted honor at Abernathy High School.

Fulton Selected For National FFA Band

Jon Mark Fulton was selected for the National Band of the Future Farmers of America. He auditioned by sending a taped recording of selected music to the judges. The band performed at the National FFA Convention in Kansas City, Missouri, in November.

Student Participation, Football Victory, and Queen Coronation Enliven Homecoming '80

Homecoming is always a special time at AHS. This year was no different. Every person in Abernathy High, teachers as well as students, got into the spirit. Each of the classes decorated their respective halls; clubs and individuals decorated cars; and the FCA, once again, sold mums. Everyone was really up for the game by gametime.

. . . And what a game! Not only did the 'Lopes whip Muleshoe, but radiant Darla McGuire was crowned Homecoming Queen.

All that preparation culminated in a tremendous HOMECOMING 1980!

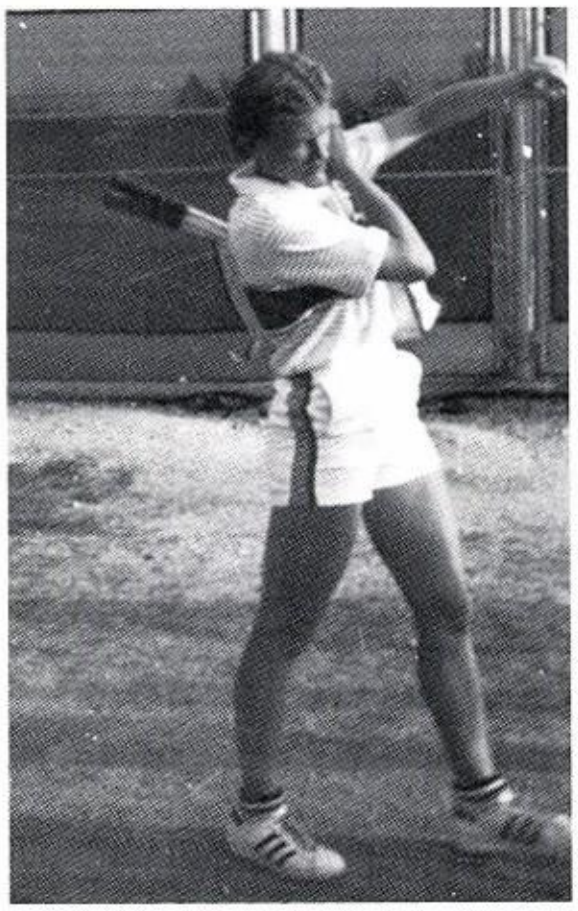
Spring Fever Strikes AHS

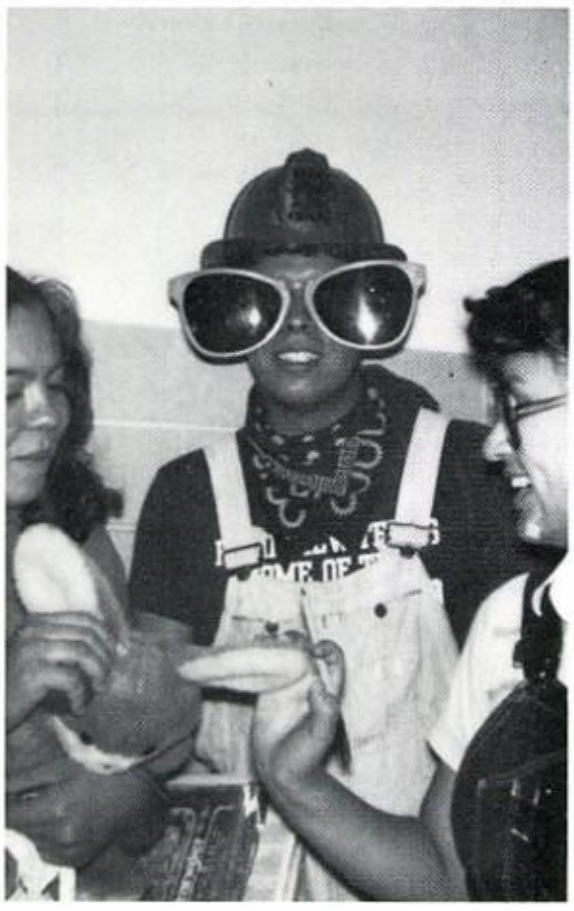
Watch Out, Wimbledon!

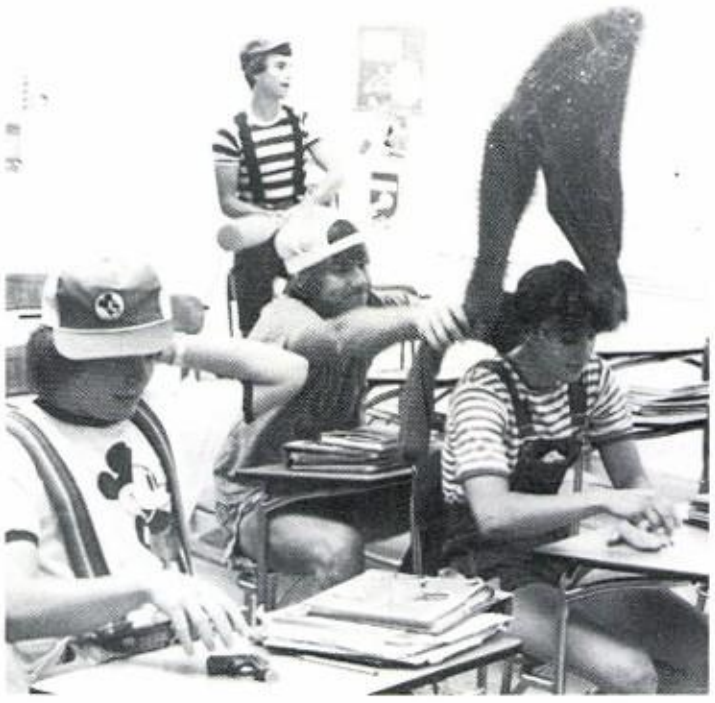
Tennis was very exciting this year at AHS. Three people qualified for the State Tennis Tournament at Austin. Ramona Irlbeck won a third consecutive tennis championship and the team of Roger Pinson and Cletus Irlbeck was state semi-finalists in doubles. Ray Ortiz and Keith Robertson won first and second place, respectively, in singles at District. Cherise Gist and Vickie McKenzie won fourth at District in doubles.



Spring Brings Kid Day, Bike Day

Spring hit full force at Abernathy this year. Many changes were evident at Abernathy High School. The trees were greener, the air was warmer, and many students turned their thoughts to none other than love. There were two special days that helped capture the fun and frolic of spring. Those were Senior Kid Day and Bike Day. The seniors reverted to childhood ways since, in a few more weeks, they would be out of high school. Bike Day was a time for all energy-conscious students to do their part for energy conservation. A great deal of exercise was gained on that day also.





Determination + Unity + Lady Lope Skill = Bi-District and Regional Wins

The year of 1980-81 was the year of the Lady Lopes. They set a long-awaited goal on the first day of school; the goal, to win state. However, before they could storm the Super Drum, theyrealized that they would have to knock off some tough teams at Bi-District and Regional. This they did with the skill and finesse of superstars. Sports-writers nicknamed them the 'Never-say die Lady Lopes!' The entire South Plains watched in awe as this dedicated group of young ladies earned a spot in the state tournament.

'Never-Say-Die' Attitude Propels Lady Lopes To State Championship

The moment of truth was finally present. The girls knew that those last two games were the most important. Somehow, after trailing Brownsboro for practically all of the first game, the Lady Lopes pulled that game out of the fire. That left only one more game between them and that coveted trophy. They realized that now, if no other time, they should pool their resources and play as a team. The championship victory came after a long, hard, seesaw battle with a talented Sweeny team. The tears sparkled in their eyes as they joined the exhausted crowd in singing the school song.

There was wide participation in UIL literary events this year. This was evidence that Abernathy students are concerned with developing their minds. The majority of those involved discovered the rewards for hours of preparation were many. Nine people qualified for regional competition in eleven events. Four of those made it to state. It was truly a successful year for Literary UIL.

In May, the National Honor Society made their bi-annual trip to Austin to be Honorary Messengers on the floor of the Texas House of Representatives. While on the trip, they took an excursion to San Antonio. The entire trip proved to be a valuable educational, as well as recreational, experience.

Seniors Journey to Six-Flags

The annual Senior trip to Six-Flags was once again a lot of fun. The seniors left Abernathy at 3:00 a.m. and they stayed at Six-Flags from ten o'clock that morning until ten o'clock that night. It was a long drive home that night, but all of the people had a good time so no one seemed to mind the drive.

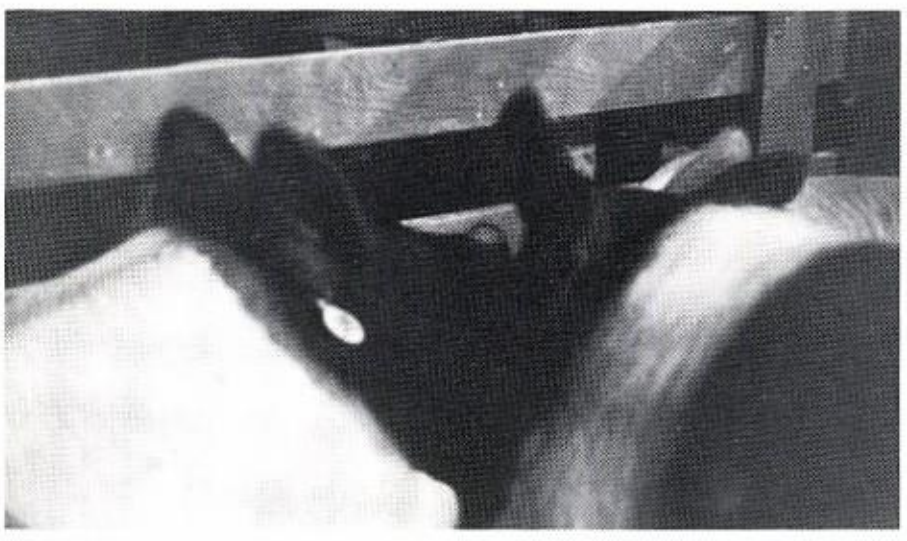
Regular Classwork Often A Little Different

AHS students spend a lot of time in classes. Sometimes regular classwork becomes tedious and the teachers seek new and interesting ways to teach. Poetry walks, science experiments, and carpentry skills are only a few ways that school can be made more interesting. Then there are the class clowns that make everyone laugh and loosen up the atmosphere.

Stock Shows Provide Involvement For Many Students

Many Adults Join In, Too

Stock shows at Abernathy are an activity that numerous people get involved in. The excitement of the showing permeates the entire barn. In ag circles, the stock show is the social event of the year. This year's local show was dedicated to Mr. Harvey Lutrick. He was cited for his many years of service and dedication to the show.



They say that Life is a
highway and its
milestones are the years,

And now and then there's
a tollgate where you pay
your way with tears.

It's a rough road and a
steep road and it stretches
broad and far,

But it leads at last to a
Golden Town where
Golden Houses are.

Graduation

Go your way, and I go mine,
Apart, yet not afar;
Only a thin veil hangs between
The pathways where we are.
And "God keep watch 'tween you and me;"
This is my prayer;
He looks your way, He looks mine,
And keeps us near.

I know not where your road may lie,
Or which way mine will be;
If mine will lead through parching sands
And yours beside the sea;
Yet God keeps watch 'tween you and me,
So never fear;
He holds your hands, He holds mine,
And keeps us near.

Should wealth and fame, by chance, be yours,
And my lot lowly be,
Or you be sad and sorrowful,
And glory be for me,
Yet God keep watch 'tween you and me;
Both be in His care;
One arm around you, one around me
Will keep us near.

Preparations For A New Year

In the spring of 1981, the student body of Abernathy High School elected Student Council officers and cheerleaders for next year. These two elections were filled with color and excitement. They indicated that next year will certainly be a good one.

The 1980 Lopes give up fewer points than any Abernathy team in several years, allowing only 89 points in 10 games for an average of 8.9 points per game. The Lopes came together following the third game of the year and played good, clean, hard football. A field goal by Floydada that bent us 10-8 kept us from playing the final game of the year against Childress for the district championship.

The love and togetherness of this team are something each member will always fondly remember. I am proud to have been a part of this group, and I wish every senior the best in his trek through life.

Coaching the Lady Lopes this year has been a dream come true. Seeing young people set goals, work toward a common goal, put self interest aside to help the "team" is a high for any coach, but to be on top at the end of the year happens to only a few. Watching these young ladies mature has been an experience that I will never forget. My one wish is that other Lady Lope teams will experience the thrill of victory that the 1980-81 Lady Lopes did.

Good Luck —
COACH LARRY STEELE

Coach Carl Irlbeck Coach Delbert Dearing

The 1980-81 Thundering Antelopes missed a chance to repeat their State Championship by a narrow margin. We played a tough non-district schedule, and in district, we did not come up with the big play when the big play was needed.

Abernathy, Childress, and Tulia had the same district record, 8-2, but the schedule caused us to be finished for the year.

The 1981 boys' track season was filled with high hopes and surprises. Many new school records were established and dreams realized. The team competed in six invitational meets, placing second in all the meets but one. At the district meet Abernathy also placed second, qualifying six team members for regional in six events. The young men on this team were very competitive and outstanding as they proved that they could run with the best of them.

During the Abernathy Invitational Track Meet, the students and faculty of Abernathy High School recognized a very accomplished local athlete, Bobby Cunningham was recognized for his participation in the Boston Marathon, the famous foot-race held annually in Boston, Massachusetts. Bobby, who has been running in marathons for about a year, had an impressive time in the Marathon of 2:39.13 for the twenty-six mile course. Out of 7,000 competitors, Bobby finished 806th overall and 39th in his age division. That is saying quite a lot for a man who has just recently started running again. Bobby's goal was to finish in the top 250, and he might try again to reach his goal someday in Boston.

In the Palo Duro Canyon Marathon on January 10, Bobby came in first in his division. He also broke one of five records that were bettered that day. This was Bobby's favorite race because of his performance and the great weather. "One of the toughest races I've run was the White Rock Marathon in Dallas. The humidity was over ninety percent that day!" stated Cunningham. Nonetheless, he captured third place in his age group and fifty-fourth overall in a field of 2,800 runners. The biggest race Bobby Cunningham has run is the Austin Capital 10,000 meters, a distance of 6.2 miles. He placed 53rd out of 8,200 entrants in that contest.

Bobby related the reason he started running. "I had gone on a diet to lose weight and the high school principal, knowing this, asked me to run with him early in the mornings in the gym. It hurt at first since I was out of shape and overweight." Later, however, he regained his old Littlefield High School abilities and now runs a 4 minute, 34 second mile.

In the short time Bobby has been running, he has been in 42 races and has 35 medals and trophies to show for it. The 1980-81 Abernathy High School Annual Staff would like to congratulate you, Bobby, on a job well done!

Austin is a city that many AHS students know by heart. In the past few years, Abernathy students have gone on many trips to the Capitol city for various reasons. This year alone groups went in Cross-Country, Girls' Basketball, National Honor Society, UIL Literary, Band, and Boys' and Girls' Tennis. It is a great reward for a student to earn a trip to Austin.
